

Vinyl Cleaner VC-S

Review "Hifi Choice" 05.2016

Wash and go

The VC-S is supplied with 100ml of vinyl cleaning solution – Wash-IT – together with all the accessories required to start cleaning up your vinyl collection.

Τt

is extremely quick and easy to clean an LP using the VC-S and I am able to rattle through a dozen or so of my records in next to no time with excellent results. Of all the RCMs I have tried, Pro-Ject's VC-S is certainly one of the best and what's more it is also excellent value. **NR**
